CLAUDIA & PETE

16 BEST OF CLUB

Claudia was looking forward to a nice relaxing night at home. She had the place to herself, and she was going to just watch a movie and have some wine. That idea got boring quick, so when she went online and found Pete there, it wasn't long before he was in his car and on his way over for a little booty call.

It all started with a soft innocent kiss, and then Pete's hungry tongue found its way to Claudia's sweet little pussy. He tasted her juices over and over again, and the oral stimulation got her thinking she wanted a snack, too. So his cock found its way into her mouth, but that was just the appetizer. The main course would be a feverish fuck that both of them needed.

These friends with benefits were soon fucking in every position they could come up with. Nothing could stop either of them achieving their mutual goals of mutual orgasms. When it came time for Pete to shoot his load, he blasted his load all over his bedroom bud. It was what she wanted, and boy did she get it! ♣

These Roomies Know How To Live Together...

AVA & LIZZY

My nickname in high school was "Lizzy the Lezzy" because I was always trying to get with hot babes. A few would let me kiss them, but they were way too uptight to go all the way. Now at college I'm meeting all these awesome chicks that aren't afraid to be banged out by a girl. Like my roomie Ava. She's tall and slim and more importantly she lives to eat my pussy and have me eat her back. Ava's obsessed with my titties, which are bigger than hers, but her bee stings are way more sensitive. Once I made her cum just by pinching her nips! Real talk. What's best about Ava is that she lets me play with her ass—I like to stick a few fingers inside and stretch her butthole wide open. Then after I withdraw my digits I say, "Pucker up!" and kiss her right on the rosebud....♣

MADDY O'REILLY

BY ROB PEREZ

Porn Valley, CA—2012 was a banner year for hot new teen starlets entering the jizz biz. With the bevy of spinners earning accolades, one young lady stood out for her good looks, sweet demeanor and fiery performances. Maddy O'Reilly is a teen star's teen star. Cute, skinny and tight all around, Maddy gets pervs riled up whenever she pulls down her little panties and has her shaved kitty stuffed airtight with some of the biggest cocks in the biz. Making her mark in plenty of young girl and gonzo titles for many of today's top studios, she makes her lead role debut in Will Ryder's Wizard of Oz parody playing Dorothy, a role she was born (not too long ago) to play. Grab yourself and read what your favorite teenie has to say about being a porno star!

33035

Congrats on getting the starring role in the Wizard of Oz parody. Can you tell me a little about the parody?

It's probably the best project I've worked on so far. All the music that we used is original. The storyline is a little bit different. Dorothy gets in this twister and lands in this sex crazed town. She has to find her way home and ends up having to fuck her way home basically. [Laughs] It's definitely a little bit different than the original storyline.

Who stars in it and who did you have sex with in the movie?

Brandy Anderson, Anika Albright, Stella Marie, Nina Hartley. I performed with Anika who played the good witch, Kurt Lockwood and Seth Gamble.

Kurt Lockwood is a pretty good performer.

[Laughs] It was actually the best scene in the movie. He played an Emerald City guard and it was a threesome with him and the good witch.

Did you enjoy the acting and singing in the movie?

Yeah, it was a lot of fun. Eighty five percent of the movie is done with the cast's original voices. It was definitely fun for me because it was the most amount of acting I've gotten to do in porn.

Everybody did sing? It's their actual voices we're hearing?

Yes, except there was a song I was unable to do.

Is it true Will Ryder hired midget porn performers to be in the film?

Yeah, we had Stella Marie who's a performer in the industry. She did a scene with Eric John who plays the Wicked Witch's guard. I wasn't there for the scene but I heard it was pretty awesome.

Would you have had sex with a midget performer?

Absolutely! Absolutely! [Laughs]

I have to mention the incredible scene with you and Zoey Holloway in Girlfriends Films' Women Seeking Women 91. It was amazing. What was it like working with her?

That means a lot. It was amazing working with her. She has this really sweet demeanor about her but at the same time she has this undeniable sexual energy. She has this really good energy about her so I knew it was going to be good, even before we got started on the scene. And working with her was amazing. It felt like the scene could not go on long enough. When they said, "That's a wrap," I didn't want it to be over.

You also had an amazing scene in Lesbian Office Seductions with Aiden Starr where she dominated you. Do you remember that scene where she completely had you under her control? Do you enjoy giving up complete control?

Yeah because I'm such a submissive performer so it's really great to work with a female talent who's so dominant and makes it very believable. You'll definitely listen to her. She's very good at being the dominant one. So it was amazing to be able to give up control to her. It made me want to give up control just because how amazing she is at it.

Everything she did to you was it ad-libbed during the scene?

It was all her.

Do you enjoy having someone take complete control of you in real life?

Yeah, absolutely.

What's the best thing about being a sex addict?

The fact that I can experience everything possible when it comes to sex. I guess it's because of my addiction that I'm willing to go ahead and make sure that all my sexual fantasies come true.

Do you have a boyfriend or a regular sex partner?

Yeah I do which is great but I still like to experience different experiences with different people. [Laughs]

How does one become Maddy O'Reilly's booty call?

Just being confident that he could have it if that makes sense. [Laughs]

You were nominated for Starlet of the Year for the incredible year you had in 2012. How would you describe 2012 professionally speaking?

It was amazing. I felt like I was able to start my process of growing sexually. You can definitely tell from my earlier scenes to my scenes now the transformation. So professionally it was amazing. It taught me what I like what I don't like, what my boundaries are and it also opened me up to things that I may not have been turned on to before.

You actually planned on going into porn. This wasn't just a thing you went into like that.

Yeah, it's something I've always wanted to do. I'm so shy I didn't know how to go about doing it or the courage to do it. But yes, this was the plan.

What's the best and worst thing about being a porn star?

The best thing about being a porn star are all the experiences you get to have and all the talent you get to meet

even if they're not the talent that you're working with. Just the creative minds you get to be around 24/7. There's never really a dull day. I don't ever dread going to work. The worst thing? There's nothing really bad about the job. I guess the worse thing if I had to choose, would be if a company asked me who I want to work with it, sometimes it would be hard for me to narrow it down to one person. [Laughs]

Do you prepare for a scene mental-wise?

Not really, unless it's going to be some crazy bondage scene I have to get within that mindset of being submissive right before I get there. Other than that, not really.

How did you come up with your porn name?

It was a suggestion. I was brainstorming with someone and it came about from there because I didn't like my original porn name, Savannah.

Where would you rate yourself, looks-wise and body-wise, on a scale of one to ten?

[Laughs] I don't know. A nine. [Laughs]

What would you say is your best and worst physical feature and why?

I love my ass and my legs. The feature I hate the most is my nose, I guess.

Are you a very dominant or submissive person?

I'm extremely submissive.

A lot of porn girls say they're submissive with guys but dominant with girls. Are you submissive to both?

Yes to both. It's just hard for me to pull the dominant side. That's why it's really awesome to work with girls like Aiden; people like that who have the ability to dom girls. I can't.

What would you say have been your best scenes, scenes with older or younger women?

Probably with older women from what I've experienced.

Before porn did you have sex with an older woman?

No, I never had sex with an older woman until porn. It wasn't like I was against it, I guess I just wasn't ever in the right setting for that to happen.

When can we expect a Maddy O'Reilly anal scene?

[Laughs] I'm working on that in my personal life so who knows. [Laughs]

Ever do a gangbang on film or in person? Would you like to?

Absolutely. I'm dying to do that. If I were going to do a gangbang I'd want to do everything. Double vag, DP, all that. There's really no limit on guys. I think my ideal gangbang would probably be, I think eight is a good number. [Laughs]

Do you masturbate often?

Who or what do you think about when you masturbate?

I masturbate about ex-

periences that I've had or about experiences that I want to have with people. It's different. It really varies. Yeah, I masturbate quite often. **Do you ever masturbate to just regular people who are not celebrities or porn people?**

Yeah. There are a couple of people in my building I find super attractive that I've masturbated to. So, yeah, just some random people. [Laughs]

Do you watch porn regularly? What kind of porn movies do you like watching?

Yeah, I still do. I watch a lot of gangbangs, anal porn.

Describe the hottest scene you've ever been involved in. Who did you perform it with and for what film/studio was it for?

That's tough. Probably in Young and Glamorous 3 and that was with Manuel Ferrara.

Manuel is also a rough performer. Could you handle him?

Yeah, it was great. It was only the second time we worked together. The first time was more for a couples movie and Young and Glamorous 3 was more anything goes so I was able to experience the rougher side of him, which was great. It was awesome.

What girl in the business would you most like to have sex with and why?

That's so tough. Definitely Sasha Grey. She screams sex, everything about her. She's very sexual and I missed her. [Laughs] I hate that.

Do you like being naked? Do you walk around naked in your private life?

I'm usually in just panties. But yeah, I like being naked.

What's it like for you to have a job in which you get to be naked at work?

It's amazing. I don't have to wear a scruffy uniform or anything uncomfortable. That's the great thing about it. It's freeing and comfortable.

Have you had a one night stand?

Yeah. [Laughs] It's been a while.

What size cock do you prefer?

It doesn't matter. I'm happy with a cock of any size.

Are you a true bi-sexual?

Absolutely! More than ever. I feel like I've always been attracted to girls. I've always watched more girl/girl porn before I was in the industry. I'm definitely more open and maybe eventually, I could actually see myself in a relationship with a female. So I am definitely a true bisexual.

But you still need a cock every now and then.

Definitely. If I had it my way I would have a girl/girl/boy every time I have sex.

What was your first experience with a girl like? Was it a good or bad experience?

It was a really good experience. She was new to girl/girl sex as well. So it was cool to have someone that was new with you and to be able to explore each other's bodies. See what you like and see what you don't like.

What kind of girls are you into?

I find every girl attractive so that's really tough. If I had to choose I would say mid-

30s, like soccer mom status. [Laughs]

What is your favorite sex act?

I like giving head, doesn't matter what sex the person is.

What's one sex toy you can't live without?

My Hitachi.

Where's the weirdest place you've ever had sex?

In an insurance office, after hours. [Laughs]

Tell me something most people don't know about you?

I'm a beer enthusiast. I just like different breweries.

What's one superpower you wish you could have?

To be able to see through people's clothes. [Laughs]

Which male and female celebrity would you most like to have sex with?

Blake Lively and Russell Brand.

Which movies of yours should our readers look out for in the future?

I have some new features for Girlfriends Films coming out, and Fifty Shades of Pink.

What does the future hold for you?

I definitely want to get an award under my belt. Keep pushing myself and keep growing as a performer. Keep producing good content.

LUST UNLEASHED 2

32527

Lust is a powerful, all consuming emotion that has the ability to turn your world upside down. When lust- ing over the object of your affection, nothing else in the world can satiate your innate desire for ravaging your amore from head to toe. Although the dictionary describes lust as intense sexual desire and overmastering crav-

ing, a person undergoing this deep- rooted hunger can tell you that the yearning is so much more than just an emotional response. The feeling is fer- vent, powerful, and raw and can be extremely physical in nature. With such arousing velocity propelling this carnal sin, what happens when your lust prevails and is let loose?

Starring: Avril Sun, Dani Jensen, Madison Ivy, Whitney Westgate, Kendall Karson, Lizz Tayler, Billy Hart, Danny Mountain, Bill Bailey, Bruce Venture

Directed By: Brother Love **Available From:** Pure Passion

This is the unbridled question answered in *Lust Unleashed 2*, the second erotic adventure brought to you by the sinful mind of ace director Brother Love for Pure Passion. Shot across five thought-provoking scenarios and with a heavy use of natural lighting to make the encounters seem ethereal and romantic, you'd be hard pressed in finding a couple's friendly production that is not only stimulating for her but is ultra hardcore for you. With lip-smacking intensity and heated desire, are you ready to succumb to seduction?

The lust begins with Avril Sun sauntering through a grassy meadow, picking wildflowers. As the camera pans the length of her body and the rays of the sun shine through her paper-thin dress, we can see the impeccable arc of her ivory breasts and the fleshy curve of her bubble butt.

Continuing her calming afternoon of innocent delights, she stumbles across a babbling brook and decides to play in the cool water. Now naked, happy and natural, this ethereal beauty looks as scrumptious as a sun-

ripened peach on a hot day, as the rushing water envelopes her body. Once finished there, she stretches out on a nearby rock and is pleasantly surprised when Billy Hart comes strolling down the hiking trail. Undoubtedly, he likes what he sees.

Instinctively opening up her legs, Avril's flawless frame naturally re-

sponds to the object of her affection. Lost in lust for his amore, Billy positions himself between her creamy thighs and begins long licking the pink contours of his ladylove's labia. With deliberate and exaggerated swipes from his tongue, we can tell that both participants are in heaven. Quickly thereafter, webs of her slit gloss are seen swaying from his lips. As he pulls his head back, we all watch as her gash gloss dangles like melted mozzarella from a slice of pie. It's delicious!

With her knees already spread out and her pussy gleaming with natural nectar, Billy hikes her legs atop his shoulders and dives in, dick first. Fucking her slowly and methodically in missionary position, we can literally see the passion building up in both of their eyes. After a few minutes have elapsed, a noticeable splash of slit sauce stains the rock as he continues forking his pretty pixie in spoon position. In time, she shakes and shimmies with orgasmic fervor while he unleashes his vanilla icing across her belly.

From here, we find Dani Jensen crawling atop her stark white bed in an attempt to awaken Danny Mountain from his nap. Looking like a Bengal tiger meandering through a patch of billowy snow, Dani's sultry red hair, freckled skin and her seductive manner plays well to Brother Love's camera.

Now atop his body, she gingerly places a blindfold around his eyes and continues her descent down his muscular frame. Still sleeping, Danny is pleasantly surprised when he feels the warmth of Dani's deep throat and the tight en-

casing of her pink lips. Springing up on the points of his elbows to greet his lover, he's met with an added surprise... his blindfold.

Lying back down and allowing Dani's love and lust to wash over him, it doesn't take long before Danny is an active participant in Dani's bout of afternoon delight. Soon, he's double fisting Dani's glorious mane and is personally guided her head on a tour around his cock and balls. "All of this is for you," he smiles, smacking the length of his dick across her forehead that is bigger than her entire face!

Wanting a taste of Dani's happy meal, he rolls his spinner into the sixty-nine position, gorging on her hairy pussy while she continues poking her healthy set of pink tonsils with his pole. "You taste so fucking good," she smiles, going into for another overflowing mouthful of Danny's hard dick.

Wanting to continue her reign on top, Dani mounts her steed in reverse cowgirl position. Bouncing atop his body like a super ball, Dani uses her curvaceous legs to spring up and down. With her grassy green eyes rolling to the back of her head, and the pale skin around her pussy turning crimson red, we can tell that Dani's is genuinely experiencing the ride of her life!

As the day pushes forward, we find Madison Ivy fixing herself a bowl of cereal in the kitchen. Looking like a virtual sex kitten in a white t-shirt that is clinging to her humongous

hooters, a pair of white panties and a head of tussled hair, she is the epitome of feminine perfection.

As the droplets of cool milk dot her chin, Billy Hart bum rushes her from behind. Sinking his mouth into the nape of her neck, Billy can't help but fill his mouth and nostrils with her erotic aromas and flavors. Spinning her around, he pulls her white t-shirt down and wraps his paws around her perfect tits. Gorging on her pale pink nipples, Billy doesn't waste a single speck of her ripened set.

Hoisting her up onto the kitchen counter, Billy peels her white panties down with his teeth and begins chowing down on her clam like Kobayashi at a hotdog-eating contest! Creaming and screaming with delight, the dynamic duo has no choice but to relocate to the staircase when her clam broth becomes too slippery and wet for them to endure another second on the slick countertop.

Practically tearing down the walls for an opportunity to get to his cock, Madison plants herself on her knees and begins unwrapping Billy's meaty surprise. Looking positively radiant with his cock hanging from her mouth, Madison makes love to his cock by cradling his balls with her tongue and devouring his taint with the edges of her teeth. "I just can't get enough," she mumbles, seemingly losing her mind when faced with all the erotic possibilities that await her.

Now in their bedroom, Billy scoots Madison to the edge of the bed, spreads her legs into a Y formation and proceeds to fuck the living daylights out of her. Unable to keep up with his frantic pace, Madison momentarily loses her breath. Once caught up and back to speed, she mounts his lap in cowgirl position and manages to fuck him harder and faster than he fucked her. Now that's what we call an active rider!

Finally, as the day turns into evening, we find Whitney Westgate getting ready for her workout session with Bill Bailey. Thoroughly enticed by the look of her natural body and smiling face, we can't help but salivate over the way Whitney fills out her black booty shorts and slinky tube top. "I'm so ready for this," Whitney purrs, anxious to wrap her tits, lips and clit around Bill's beefy stick.

Placing herself on her yoga mat, Whitney bends and twists for her handsome instructor, enticing the room and her stud by doing sit-ups, hip thrusts and plenty of leg bends that help expose her deep-rooted camel toe. Unable to resist the wet spot forming in the crotch of her shorts, Bill peels the drenched material down her legs and takes his position between her great divide. "Are you ready for me?" he enquires, going in for his first salivating swipe of her salty slit. Cooing like a kitten, it becomes quite apparent that Whitney has a penchant for having her pussy polished.

As the action heats up, the couple makes their way to a nearby sofa whereby Whitney wraps her legs around Bill's waist and enjoys the feel of his cock sliding in and out of her freshly shaven slit. With the gushy sound

of slit sauce audible between them, we can tell that Whitney is genuinely having a great time.

Wanting to entice her hot stud with a different type of tight squeeze, Whitney switches places with Bill and rests him against the white sofa. Sliding down his sweaty body like a snake, she wraps her natural C-Cups around his cock and gives him a slippery and wet titty fucking session that makes his toes curl and his cock pop.

As that scene concludes, we're excited to report that Bruce Venture becomes the meat in the love sandwich when Kendall Karson and Lizz Tayler team up to tantalize him in a romantic scenario that is not to be missed.

For more information about *Lust Unleashed 2*, or other Pure Passion productions, please visit: www.PurePassionDVD.com

With loads of passion and a sexy shower scene, these three lovebirds explode, with Lizz licking the love liquid of Kendall's tights abs, sealing their deal in true porno style.

Ending on a high note, *Lust Unleashed 2* delivers a powerhouse of passionate possibilities that is made stronger by a cast of unbelievably gorgeous people and erotic scenarios. Delicious from end to end, this production deserves to be set free. ♡

A Booty Call Any Guy Would Want

KAMI & NICK

33458

When I first started having sex I discovered that everything feels so much more intense when I keep my eyes closed. My whole body becomes electrified and sensitive to the slightest touch. A tongue on my clit feels so outrageously good that I cum immediately and then right afterwards I crave a cock inside me. When I'm that horny, my boyfriend Nick's hard-on becomes like a magic wand that sets off magical tingles of pleasure throughout my pussy. My cunny starts to spasm as he slides his prick in and out, my innermost vag muscles massaging his entire shaft. I can always tell when he's about to blow because he starts kissing my neck like crazy. It excites me to make him so excited, and I make another visit to O-ville. Nick always ducks into my back door real quick before he finally soaks my hot little rosebud with seed. ♣

Every Hole Gets Explored For This Horny Coed

TRINITY

If you ask me, regular sex can be boring. You suck, you fuck, he spooges on your tummy...yawn. That sort of vanilla humping just doesn't do it for me. I like when things are a little freaky, when devices are involved that whirr and buzz. Now I'm not talking your run-of-the-mill sex toy, oh no. What I dig is using a dildo that gets even bigger once it's inside my pussy, one that I can pump full of air until it's exactly the size I want. Then when my gynie lips are stretched tight around that big, inflated cock, that's when I whip out a powerful little vibe and plop it directly onto my clit. God, the orgasms are epic. And if someone else happens to be nearby to lend a thumb to that cause, even better. After the second or third climax a little anal stimulation takes things to the next level. I'm always looking for ways to up my O.♣

Emma Makes Sure her BFF Is Happy

EMMA, TRISTYN & MICHAEL

Tristyn was always bragging to Emma how good her boyfriend was in bed. So, when Emma hit a dating slump and was complaining one night how she needed to get laid, Tristyn, being the good friend she is, invited Emma over for a little something. The fun part was, Michael, Tristyn's guy, had no idea he was going to take care of his girl's BFF.

Michael answered the door, and there was Emma in her little bikini under the guise she was there for a swim. But once Tristyn informed her man about this master plan, it didn't take long for Michael to strip down and start fucking Emma. It didn't even get to the bedroom before Michael was ball's deep in Emma, and all the while Tristyn looked on as her gal pal and her boyfriend went at it.

Michael did Emma every which way Tristyn suggested. "I want you to fuck her just like you do me," she said. "Fuck her from behind! I love it that way." And so did Emma as she came and her slump was over.

"Anytime you need a good fuck, let me know," Tristyn added. "But next time, I am joining in!"
